| 11.00am | IBMR | MBA I & MBA II Teaching and Non-Teaching Staff Total- | Co-curricular |

Support / Assistance: Mrs. Smita Skhirsagar

Brief Information about the Activity

| | |
|--|--|
| Topic/Subject Of the activity | Plastic free society-Environment Conservation |
| Objective for Conducting the Activity | To create awareness amongst participants about environment protection To conduct an awareness campaign to make sure people are prepared for the new laws enforced to ban plastic. India's second most-populous state is set to implement a ban on most types of non-reusable plastics. Maharashtra, which includes Mumbai, India's biggest city, will roll out a ban that includes single-use plastic bags; flex boards, banners, and disposable containers and utensils. Certain exemptions will be allowed for packaging for food and other goods. To increase the ban's effectiveness. |
| Methodology | Lecture followed by practical. Plastic bag in the premises and nearby area were collected. |
| Outcome | Active participation of students, Teaching and non-Teaching staff. |

Participants came to know-

The adverse effect of pollution on environment

They came to know that Plastic pollution is the accumulation of plastic products in the environment that adversely affects wildlife, wildlife habitat and humans.

Participants understood their role in environment conservation

Director Prof. Dr. Roopali Kudare,

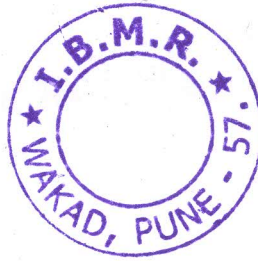

Registrar Prof. Dr. Omkar Gadre, Prof. Ashok Kumbhar, Prof. Dada Patil and all other members of Teaching staff were present.

Recommendations from: Prof. Ashok Kumbhar
