REPORT

ON

“ENVIRONMENT DAY”

Institute of Science Poona's Institute of Business Management and Research celebrated world environment day on Friday, 7th June 2019.

Prof. Smita Wagh welcomed all the gathering by giving her welcome speech.

Various activities such as planting saplings and discussion on environmental issues were held. Dr. Roopali Kudare, Director, IBMR inspired the students through her speech to work collectively for the protection of Earth and emphasized on the need to build a greener world. She also focused on the objective of celebrating Environment Day to make younger generation more sensitive towards environmental protection.

Student Development Officer Prof. Ashok Kumbhar said “Due to the axing of trees from the planet, the problem of global warming had been erupted”. He also said "To tackle the problem of pollution and global warming, we have to plant more trees every year”. The Institute staff also motivated the students to contribute towards the protection of the environment.

On occasion of environment day MBA students' performed small skit on how we can protect environment. They dressed as natural sources of the environment and enacted the play on the theme to save the environment from global warming. The skit influenced all so deeply that they were given standing ovation.

For the said program all teaching and non-teaching staff, students were present in large number.

Program was concluded with vote of thanks given by Prof. Chhaya Vanjare.
