One day Workshop on “Psychometric Test”

Institute of Business Management and Research has organized psychometric test for **MBA First year students** on **21st and 23rd December 2019** with joint collaboration with **Find Your FIT** organization.

The objectives of the Program was to examine the mind of students, to identify students skills, abilities and their interest in specific areas and also to understand which will be the best specialization area to be selected for next term.

Group session started on 21st December 2020 at 1:00pm- Dr. Renuka Vanarse welcomed to all the gathering. The guest was introduced by Mr. Nilesh Kamble MBA 1st year student and felicitated by Dr. Roopali Kudare.

Mr. Jitendra Sandu later initiated his lecture by telling the importance of psychometric test, its objective and psychometric tools. He also explained each and every specialization area, its demand and growth n actual scope in the industry to the students. The session were very informative and interactive as he cleared all the doubts of the students very precisely.

In the next session actual assessment was started. Mrs. Dhansharee took the charge of the assessment. Students were given a test and they have asked to solve the queries related to specialization areas and other aspects of their life. It was questionnaire based test.

On 23rd December 2020, remaining students gave their assessment.

On **11th January, 2021 at 9:30am Group counseling** was scheduled. Mr. Jitendra Sandu did students competency mapping and scientific group assessment of the students. He explained career clusters to the students and also focused on integrated talent. Students were very eager to hear and enthusiastic while assessment. Mr. Sandu concluded the session with queries resolution.
