2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution assesses the learning levels of the students and organizes special programmes for advanced learners and slow learners. The institution assesses the learning levels of the students in two ways at the time of the commencement of the classes. Students enrolled in various disciplines are identified as slow and advanced learners based on test conducted by each department. This helps to identify the slow learners and to design special coaching sessions or remedial sessions to bridge the gap between the slow learners and the advanced learners. Strategies adopted for slow learners: 1. Remedial Classes are conducted with an aim to improve the academic performance of the slow learners. This practice helps the struggling learners to improve subject knowledge. 2. Academic and personal counseling is given to the slow learners. 3. Bilingual explanation and discussions are imparted to the slow learners after the class hours for better understanding. Strategies adopted for advanced learners: 1. Provision of simple and standard lecture notes for the advanced learners. 2. Coaching is also given in Skill Development Programme like Communicative English, Aptitude and Placement. 3. Assignment and Student Seminars on contemporary topics to enable them for development of the soft skill. 4. Participation by the students in Debate, Group Discussion, Problem Solving, Decision Making Exercises and Quiz Programmes are also encouraged. 5. Students are motivated to participate in extra-curricular activities and cultural competitions

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

College equips students with the latest skills, knowledge, and values to navigate the complexities of the modern world. This holistic approach extends beyond academics, shaping well-rounded individuals with strong ethical foundations. Fostering Innovation and Problem-Solving: ? All departments implement innovative programs that ignite creative thinking and equip students with problem-solving skills. ? Faculty members leverage engaging PowerPoint presentations to enhance visual learning, complementing traditional teaching methods and fostering a dynamic learning environment.

College prioritizes student-centred learning through various methods: ? Project-Based Learning: Students delve into project work (aligned with syllabuses) in subjects like Economics and Education. This approach fosters independent research, collaboration, and the development of new ideas and perspectives. ? Interactive Methods: Faculty members actively encourage student participation through engaging techniques like group discussions, seminars, and interactive Q&A sessions. This fosters critical thinking and effective communication. ? ICT-Enabled Learning: Wi-Fi-enabled classrooms with LCDs, a language lab, and smart classrooms provide a modern infrastructure for technologyintegrated learning. This "learning by doing" approach promotes knowledge retention and practical skill development. ? Student Seminars: Departmental seminars empower students to present research and ideas on various topics, enriching their learning experiences and fostering confidence in public speaking.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

College leverages Information and Communication Technology (ICT) tools to create a dynamic and engaging learning environment for students. Blended Learning Approach: ? The college employs a blended learning approach, combining traditional classroom instruction with technology-enabled tools in two dedicated ICT classrooms and a well-equipped language lab. ? Wi-Fi connectivity across campus ensures seamless access to online resources.

Faculty members utilize various ICT tools to enhance teaching and learning: ? Online platforms like Google Meet and Zoom facilitate lectures, test delivery, and interactive sessions. ? Presentations are enriched with multimedia elements like PPTs, video clips, and online resources (including YouTube links). ? The virtual language lab and online assessment tools further support learning. ? WhatsApp groups promote communication, announcements, query resolution, and information sharing. Promoting Problem-Solving Skills: ? Online collaborative tools like Microsoft Teams whiteboard and Google Meet Jam board foster problem-solving by allowing real-time interaction and solution development. Enriching the Learning Experience: ? Project presentations, debates, group discussions, mentoring sessions, PTA meetings, and annual alumni council meetings are all conducted online through Google Meet or Zoom, enhancing participation and accessibility. Expanding Knowledge Horizons: ? The e-library provides faculty and students with access to a wealth of research journals and e-books, expanding their knowledge base. Continuous Learning for All: ? Departments regularly conduct seminars, webinars, workshops, and faculty exchange programs in core subjects, promoting continuous learning and knowledge sharing.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

All of the Institute's programmes have explicit programme objectives, programme outcomes, and course outcomes that are communicated to instructors and students as well as posted on the college website. a. Being an affiliated college, the University's Higher Education Policy System explicitly outlines the course's goals and objectives in terms of helping students become well-rounded individuals. For all programmes offered by the institution, these Aims and Objectives have served as the basis for defining the Programme Results, Programme Specific Outcomes, and Course Outcomes. b. When drafting POs, the College took into account factors such as academic excellence, research potential, the breadth of extension operations, human values, the creation of livelihoods, and current job market trends. c. Three categories—academic values, social sensitivities, and moral and spiritual values—have been used to group the Program-Specific Outcomes. The competences and performance indicators for each of the Program-Specific Outcomes are also developed by integrating various system stakeholders, which in turn led to the establishment of extensive course-level competencies and

performance indicators. d. Also included is a Programme Assessment Plan that outlines the various assessment types. Programme outcomes are tailored to the particulars of each programme and are generated from the Programme Specific Objectives. During the Orientation programmes, all new students are informed of the goals and anticipated results of their programme. Additionally, each course's complete syllabus, learning objectives, and assessment plan are shared with the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Attainment of POs/PSOs and COs: SPPU Exam Evaluations & Internal Assessments are evident tool to distinguish the institute's academic performance & to gauge attainment of CO's linked with PO's/PSO's. CCEs score and end semester results are referred as direct method and all feedback are referred as indirect method for measuring attainment of PO's & PSO's. PO Attainment Level : $PO = 80\% \text{ (AVG attainment level by Direct Method By CO attainment level)} + 20\% \text{ (AVG attainment level by Indirect Method - Feedback from (Students / Alumni / Employers / Parents/ Faculty / Management))}$. 1. Coattainment Level: Calculation of COs attainment level is based on internal & SPPU scores. Percentages of students score > 50 % marks in internal & external final marks are considered to set attainment levels. Formula: $(CO) 101 = 80\% \text{ (Attainment level of External Exam)} + 20\% \text{ (Attainment level of Internal Exam)}$. CO attainment levels are set considering the syllabus of 2019 pattern Levels Set Course Attainment Levels 1 40% students scoring >50 % marks in final examination 2 (Target) 50% students scoring >50 % marks in final examination 3 60% students scoring >50 % marks in final examination

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC's Role:

- **Academic Calendar:** The IQAC collaborates with the university to develop the annual academic calendar, ensuring alignment with key administrative and academic events.
- **Action Taken Report (ATR):** At the end of each academic year, the IQAC prepares the ATR, documenting the activities of various committees and departments, reflecting their contributions to academic improvement.
- **Annual Quality Assurance Report (AQAR):** The IQAC plays a crucial role in preparing the AQAR, a comprehensive report submitted to NAAC for accreditation purposes. Their expertise ensures efficient report creation and timely submission. Following NAAC approval, the report is made available online.
- **Monitoring Teaching-Learning:** The IQAC encourages faculty to utilize ICT tools and innovative instructional techniques, fostering a dynamic and engaging learning environment for students.
- **Committee Contributions:**
 - **Infrastructure Development:** Based on IQAC recommendations, the college prioritizes infrastructure improvements. For instance, increased reading space reflects these efforts.
 - **Faculty Research:** The IQAC motivates faculty to actively engage in research by publishing in university-approved journals and contributing to books or book chapters.
 - **Alumni Engagement:** The IQAC ensures regular meetings of the Alumni and Parent-Teacher Association, fostering ongoing connections and support.
- **Quality Assurance:** IQAC plays a vital role in collecting and analyzing feedback from various stakeholders like students, teachers, parents, employers, alumni, and staff. This feedback is instrumental in identifying areas for improvement and maintaining high standards across all aspects of teaching
